Re: RECAP Site Investigation Work Plan
Denbury Resources, Inc.
125-1 Site (Saltwater Pipeline Release), AI No. 186776
Off LA Highway 132 (South of Furgeson Road)
Dunn, Richland Parish, Louisiana

Dear Mr. Carter:

The Louisiana Department of Environmental Quality (LDEQ) has completed review of the "RECAP Site Investigation Work Plan" for the 125-1 site dated November 11, 2013, submitted on your behalf by Cork Environmental Resource Group. Thank you for providing this information.

This work plan is approved for immediate implementation. You now have sixty (60) calendar days from the date of this approval to implement your investigation as proposed. Please notify this office at least 5 calendar days in advance of the initiation of field activities to allow for field oversight.

Please contact me at (318) 362-3048 with any questions. All future correspondence regarding this matter should be submitted in triplicate and directed to: Mr. Thomas F. Harris, Administrator, Underground Storage Tank and Remediation Division, P. O. Box 4312, Baton Rouge, Louisiana 70821-4312. One of the copies should be directed to my attention. Please include the Agency Interest (AI) number and reference line information as indicated above on all correspondence. Thank you for your cooperation.

Sincerely,

A handwritten signature in blue ink, appearing to read "Steve Archibald".

Steve Archibald, Geologist
Geological Services Section – Geology Group 1
Underground Storage Tank & Remediation Division
